Greetings:												
Here are the results for the 29 TH Mt. Graham Hill Climb. If there are any question e-mail Nippy. There was a mix up in the One-Day License. To clear it up I have put a note by your name.												
The race fee goes to pay for the event. There is a \$10 One-Day license fee that I have to pay to USA Cycling. I do not make any profit from this. You signed the forms, at the top it states Competitive Event: \$10 per day. If you did not pay please send me a check: Made out to Nippy Feldhake 5601 East Scarlet Street, Tucson, Arizona 85711. If you paid on Active.com they did & can not charge you for the \$10 One-Day License fee.												
We had a new crew working registration so it was my mistake not to pay more attention to this as it can be confusing. Thanks.												
There were 12 records set this year that ties 2006 for the most number. There were 140 riders that started the race and 136 finished or 97.14%.												
Very SPECIAL THANKS TO ECLIPSE RACING TEAM for all their help. Thanks to Tammy Lamb, Scott Blanchard & Kim Blanchard too and to my family who always helps me out being volunteered.
